

# UI ACADEMY

Join us for a cycle of practical and theoretical classes held by professional and experienced UI Engineers from KAYAK.

KAYAK is the world's leading travel search engine, processing over 2 billion queries annually for travel information across our portfolio of brands. During the lectures we will put in practise our expertise within topics such as HML, JS, CSS, React, Redux, Node, Database and other.

## What.

11 practical and theoretical classes.

## When.

Starting the 20th March.  
Classes will be held every  
Wednesday.  
17:00 - 20:00

## Where.

Kaunas  
Brastos st.15

All classes will be held in Lithuanian

**Be Bold.  
Love Numbers.  
Win As One.**

## Apply.

Send your CV to  
[uiacademy@kayak.com](mailto:uiacademy@kayak.com)

You will receive an online exercise.  
We will evaluate all applicants and  
pick the candidates we believe are  
suitable for this challenge!

Deadline XX March.
